

## Enhancements

This release updates the URLs for Litera Transact. Some customers and collaborators were experiencing difficulties accessing “litera.work” and were not receiving emails from the “litera.work” domain. To address these challenges, the multi-tenant instances of Litera Transact have been updated to the following:

- U.S. region: accessible at <https://app.us.transact.litera.com>
- Canada region: accessible at <https://app.ca.transact.litera.com>
- Europe (London) region: accessible at <https://app.uk.transact.litera.com>
- Europe (Frankfurt) region: accessible at <https://app.eu.transact.litera.com>
- Asia Pacific (Sydney) region: accessible at <https://app.au.transact.litera.com>
- Asia Pacific (Singapore) region: accessible at <https://app.sg.transact.litera.com>

**Note:** Forwarding/redirects are in place from the previous URLs.
